Yes, will 0900 work for you? If so, I will send meeting maker.

Jeff/Dan:

Sharon and I have looked over the original scope objective that Jeff sent and the draft scope that Dan sent. We'd like to ask a few questions and get some clarification on the IAG 2 scope. Sharon is tied up in training today - would you be available for a call tomorrow before 11am? Please advise and I'll send meeting maker with call-in number.

Thanks,
Robyn
